

- ① In *The Happy Prince*, the swallow's friends fly (migrate) to Egypt for the winter because it is warm there. Can you name any other birds which migrate?

- ② Choose a bird which you like and make a poster of it. Cut pictures from magazines, print one from the Internet or draw a picture of your own. Do research and write as much as you can about it below its picture.
Vote on the best / most original / prettiest / funniest posters. Display them on the classroom wall or some other area of your school.

- ③ We find birds in many stories and tales. Sometimes they have a meaning, e.g. when we see the dove, we think of peace. Match the other birds in the first column with the words in the second column. Then talk about how you have seen them together.
