

IV. EXTRA ACTIVITIES

In this section, you can include anything you do inside and outside the classroom which involves/demonstrates your work in the English language. You can also write some comments (why you like the activity, if you found it difficult/easy, etc.) on the activity pages. It will be useful if you write the date you did each activity. Remember: the choice of the activities is yours. Every time you include something new, record it in the table on the next page.
