This week, “Chatting with the Teens” meets 13-year-old Danielle Walker. She’s a typical teenage girl, but she lives in a very unusual house.

Tell us about your home, Danielle.

Well, my home is on the water. I live on a boat with my mum, my dad, and my little sister, Nicole. It’s 25 metres long and it has got all the rooms an ordinary house has. There’s a kitchen, a living room, a bathroom and two bedrooms. The rooms are not very big, but they are warm and comfortable.

Do you like living on a boat?

I love it! I can see ducks and swans. In the summer, we can sail our house boat down the river and visit new places.

Can you describe your bedroom for us?

It’s a small room and I share it with my little sister. We try to keep it tidy because we don’t like a mess. Our bedroom has got two beds, a desk, a computer and a TV.
