9:30 | Central Session

WHAT MAKES A TEACHER – IGNITING YOUR PASSION BY ASKING THE RIGHT QUESTIONS

Cliff *
Parry

While top-notch materials and cutting-edge techniques are key, what truly defines a great teacher? Uncover the unique qualities each teacher brings to the classroom and stay motivated by asking the right questions.

LEARNER-GENERATED MATERIALS – EMPOWERING STUDENTS FOR DEEPER LEARNING

Mark *
Osborne

What if learners could create their own materials? Explore the benefits of learner-generated content and the ways it enhances motivation, making learning more engaging. Discover practical strategies to bring this approach to life in your classroom.

Coffee Break

11:00

FROM ABCs TO AI – TEACHING THAT INSPIRES!

Discover **4Minds** B2, B2+, C1/C2, where life skills, creativity, and communication take centre stage in preparing learners for the real world. Then, explore **HappyToons** for Junior classes—where STEAM, cartoons, and timeless values come together to nurture both hearts and minds!

Learn more about the **DigiWB**, our interactive whiteboard, now enhanced with updated features for a more effective teaching experience.

With Cosmo as your guide, explore smarter learning pathways and dive into **DigiPlus**, our adaptive learning platform that tailors lessons to each student's needs!

Light Brunch

MEET OUR SPEAKERS!

Cliff Parry is a teacher and trainer with over 30 years of experience. He specialises in values-based education and the development of life skills in primary-aged learners. He has collaborated with the United Nations Office for the Development of Peace through Sport to design and deliver training programmes for youth leaders.

Mark Osborne is a multi-award winning seasoned ELT professional. He has worked variously over the years as an EFL teacher, examiner, materials writer, editor & producer, teacher educator and training course director. He is currently applying his expertise to print and digital materials development for Express Publishing.
